

OCCUPY PALO ALTO

*Change is happening
in our own backyard!*

We are your neighbors. As teachers, students, social workers, computer technicians, architects, laborers and others, we are committed to working in consensus to find solutions to the challenging problems of our society. We sponsor and participate in actions and street protests, discuss strategies to effect change at the local, state, and national level, and coordinate with other *Occupy* groups in the Bay Area.

We Invite You to Join With Us!

Our General Assembly meets Thursdays, noon to 2PM at
University Lutheran Church
1611 Stanford Avenue (at Bowdoin)
Palo Alto, CA 94306

You can find additional information about us, learn about upcoming events, or join the Google mailing list at <http://groups.google.com/group/occupypaloalto> and also at <facebook.com/occupypaloalto>.
